November 4, 2013

Call to order by Rusty at 7:35

Approval of the minutes: A motion was made to approve the minutes by Sean Dorosz

Seconded by: Elaine Swords

Minutes approved.

Treasurer's Report: The report was handed out and discussed. We will probably end with around 4500 dollars from the home show. There are still some outstanding bills that need to be paid.

There was a discussion as to why the price of the band banquet tickets was increased. The ticket price was increased to cover the cost of the meal. The band parent organization does not make any money on the banquet.

Motion to approve the report was made by Jenn Bertoni.

Seconded: Mike Himmelberger

Treasures report accepted

We are expected to have 1500-2000 less in the budget at the start of our season than last year. Everyone will need to be aware of this for planning purposes.
