Chaperone Guidelines

- Chaperones are basically another set of eyes for the staff
- Your biggest responsibility to the students is their safety
- All school rules/policies are in effect for the duration of any trip taken by the band
- You DO have authority as an adult and chaperone with the band
- Chaperones should escort students to the restroom if the student does not have a buddy

BUS Etiquette

- The bus driver is the BOSS while we are on the road
- Chaperones should spread themselves out through the bus
- It is up to the driver whether food will be allowed on the bus
- Students are responsible to keep the buses clean
- No trash should be left behind
- Students should keep noise to a level that does not distract the driver.

Always to consider when evaluating student behavior:

“Are the student’s actions representing the Warwick Band, the Warwick Music Department, and the Warwick School District in a positive manner?”

If you have any questions or concerns - please contact the volunteer coordinator-Lindy Fackler (717) 571-9070.

THANK YOU for supporting the Warwick Bands by chaperoning.
